8/1 **Keynote lecture 1**

WED 14:00-16:00

Lecture Theater, Komaba I campus, The University of Tokyo

Origin of human communication
Michael Tomasello

8/2 **Origins and evolution of language: Archaeological and anthropological perspectives** (Invited symposium I, JLS2018)

THU 16:15-18:15

W310, West Bldg., Fujimino campus, Bunkyo Gakuin University

Richer fossils
Cedric Boeckx

Evolution of brain endocast and human language capacity
Osamu Kondo

**Stone tools and language evolution:
The technological pedagogy hypothesis**
Dietrich Stout

8/2 **On moral development**

THU 14:00-16:00

N206, North Lecture Hall, Tokyo Gakugei University

Early development of social understanding and prosocial behavior
Margarita L. Svetlova

8/3 **Keynote lecture 2**

FRI 15:00-17:00

K212, 21 KOMCEE East, Komaba I campus,
The University of Tokyo

From the logical to the biological
Cedric Boeckx

8/4 **Intention sharing and communication**

SAT 10:00-18:00

Lecture Hall, 21 KOMCEE West, Komaba I campus,
The University of Tokyo

Shared intentionality and early language acquisition
Michael Tomasello

Developmental plasticity of the sensitivity to communicative signals
Atsushi Senju

Reading mind / assuming mind in human communication: A developmental perspective
Kazuhide Hashiya

Children's understanding of higher-order intentions in verbal communication
Tomoko Matsui

Use and comprehension of pointing as a means of intention sharing
Harumi Kobayashi

8/6 **Kyoto Conference on Evolving Linguistics 2018**

MON 13:30-17:30

Clock Tower Centennial Hall, Kyoto University

**A plea for evolutionary mosaicism:
A gradual perspective on language evolution**
Cedric Boeckx

**Tool-making and language:
Neuro-computational models of action syntax in human evolution**
Dietrich Stout

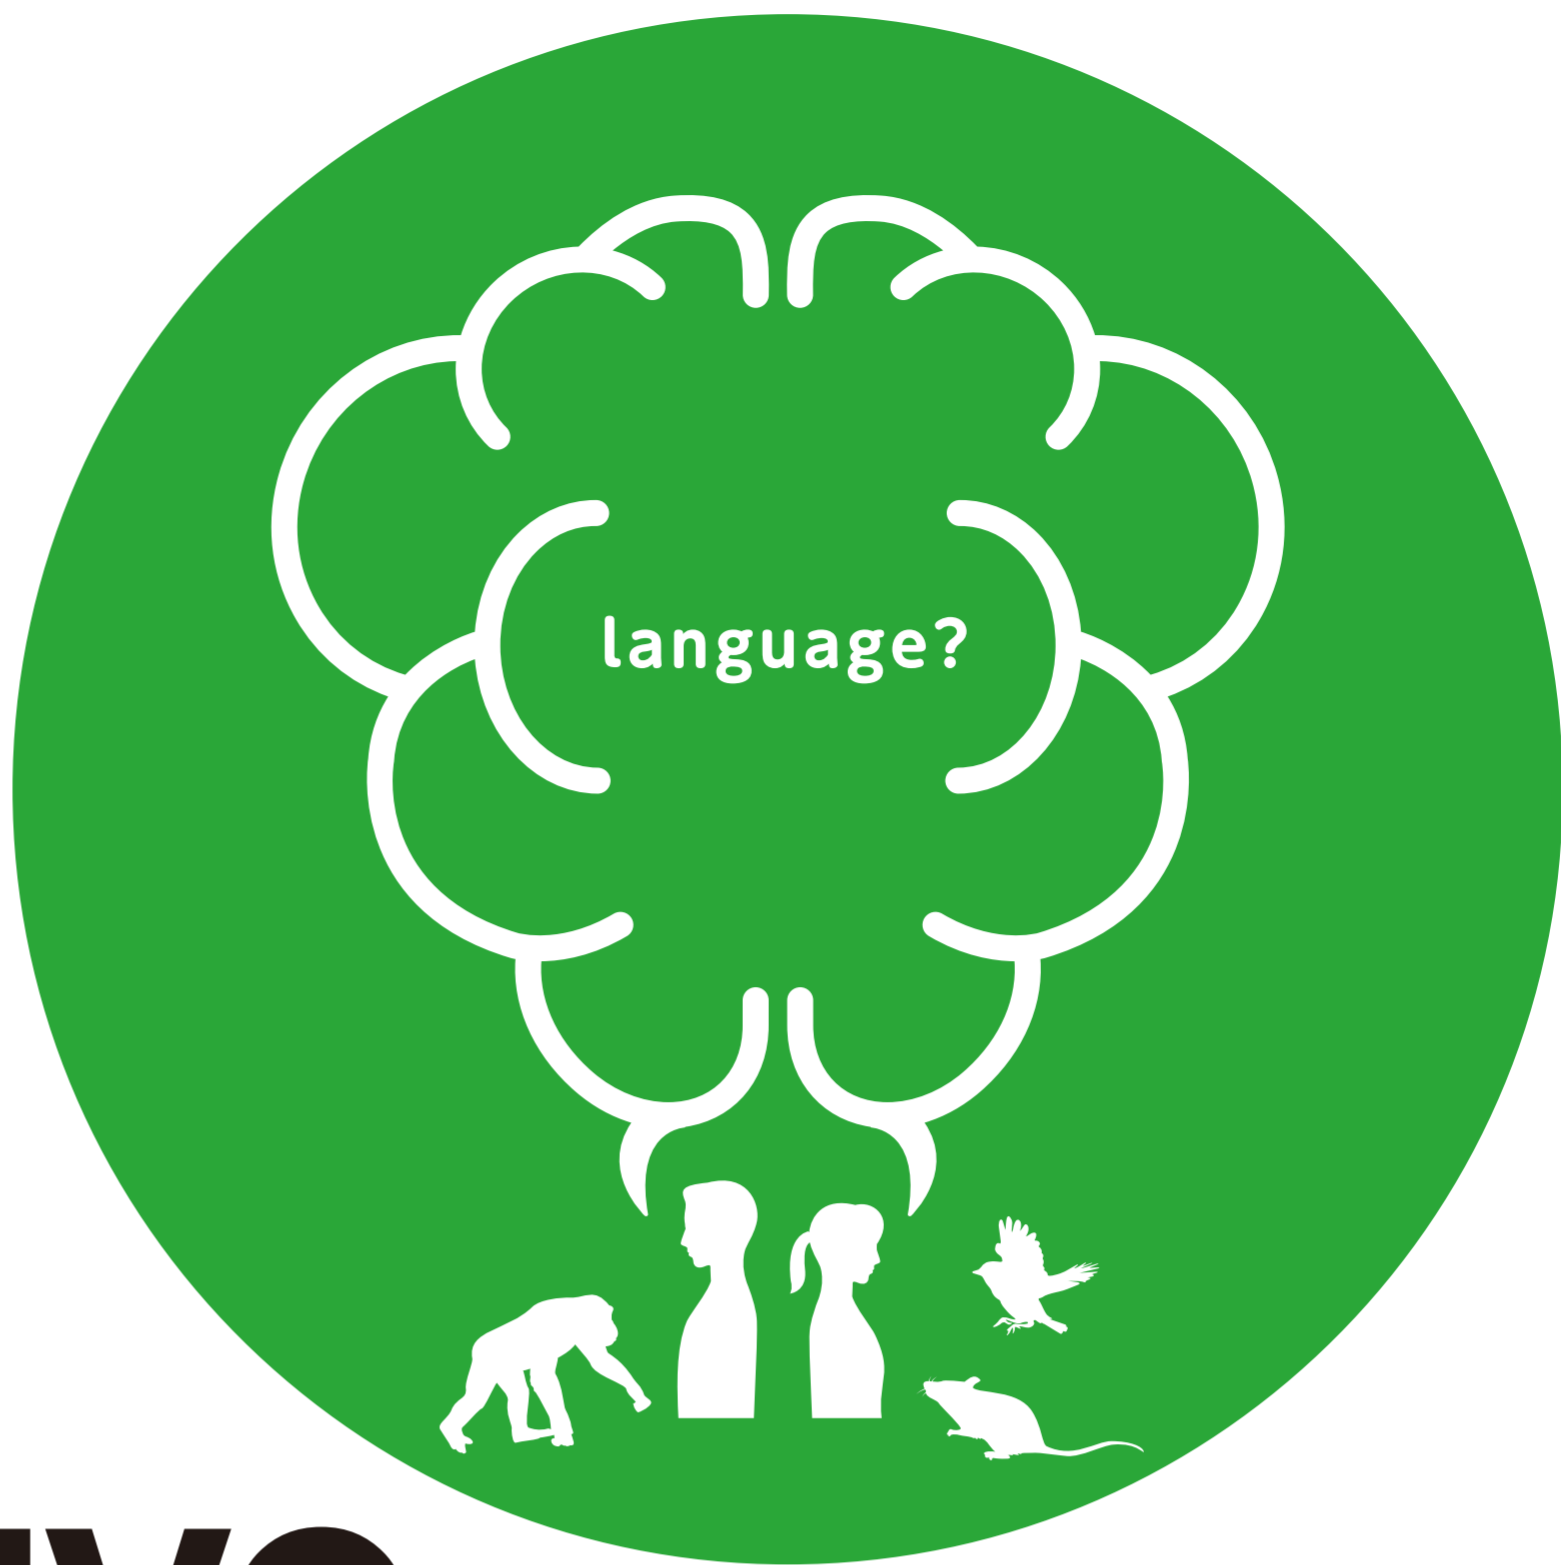

Communication before language
Michael Tomasello

8/9 **Kyoto International Psychology Seminar** (co-sponsored)

THU 17:30-18:30

Seminar Room 2, Sirankaikan Annex, Kyoto University

Human collaboration
Michael Tomasello

EVO-LINGUISTICS

2018 Evolution of language and communication

8/1 ~ 9

WED

THU

TOKYO · KYOTO

No registration / No entrance fee required

Michael Tomasello
